Re: *Promoting Telehealth in Rural America*, WC Docket No. 17-310,
Draft Report & Order (FCC-CIRC1908-03)

Dear Ms. Dortch:

Today at 4:59:35 p.m., a letter was filed by the undersigned on behalf of Alaska Communications in the above-captioned proceeding enclosing an Excel spreadsheet. The spreadsheet that is included herewith should be substituted for the one formerly submitted, which was modified from the original format for simplified viewing. The enclosed version represents a complete and accurate copy of the Alaska Department of Commerce's "Community Transportation Access and Overview" which lists Alaska communities that have road access and those that do not, without change in format.¹ Any confusion caused by this change in format was unintended, and purely the fault of the undersigned. Please direct any questions concerning this matter to me.

Respectfully submitted,

Karen Brinkmann
